

4toFortune

culture of enterprise

Making Fife more enterprising™

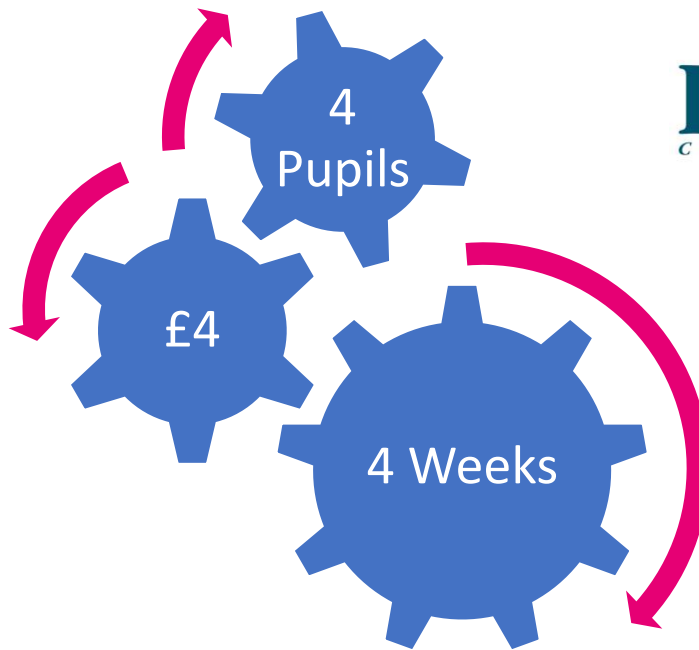

Our 4 to Fortune programme is a great way to introduce Enterprise into the classroom.

Designed for pupils of all ages, 4 to Fortune challenges groups of 4 pupils to identify a local or school cause they wish to raise money for and use their £4.00 seed money to start a mini school enterprise to make as much profit as they can within 4 weeks!

4 to Fortune has been designed to allow it to be delivered at any point in the school year, providing you with a flexible approach to enterprise.
